

Autumn 08 - A selection of transactions

We acted for the shareholders of Vilicom Holdings Limited (trading as iProperty) in the sale of the company to Shared Access Limited, a wholly owned subsidiary of Shared Access, LLC.

We assisted Turner Investment Partners inc., in relation to the successful launch of its first UCITS III investment company, Turner Funds plc with four initial sub-funds, which is listed on the Irish Stock Exchange.

The name Turner and logo are property of Turner Investment Partners, Inc. and used with Turner's express permission

A firm-wide team, alongside Allen & Overy, London, acted in providing legal advice and assistance to Nationwide in its plans to establish an operation in Ireland.

We acted for the vendors of Channel 6 in relation to the recent sale of Channel 6 to TV3. Completion of the transaction was subject to the approvals of the Competition Authority and Broadcasting Commission of Ireland.

We acted for Saongroup.com in the acquisition of Tecoloco.com. Tecoloco.com has operations in El Salvador, Guatemala, Honduras and Panama.

We acted for Openjaw Technologies in its recent acquisition of the travel technology business, Traventec. Openjaw Technologies is a leader in delivering high performance travel distribution solutions to the global travel industry.

CRESSELLE

We acted for the vendors in the sale of part of the issued share capital of Cresselle Limited to iSite Web Technologies Limited. Cresselle Limited is a software development and services company providing sales information, reporting and analysis solutions to clients in the pharmaceutical, distribution, retail, manufacturing, financial and technology sectors.

We acted for our long standing client, Comunicorp Group Limited, in the sale of Highland Radio to Orangold Limited. Comunicorp previously acquired Highland Radio and Emap plc's other Irish radio assets, being Today FM and FM 104. Completion of the transaction was subject to approval from the Broadcasting Commission of Ireland.
