

## Spring 2010 - A Selection Of Transactions

We acted for the owners of Some Wind Limited in the development of a 32 MW wind farm, its subsequent extension into a 38.9 MW wind farm, and the onward sales to Bord Gais.

We acted for Manvik Environmental Limited and Alan Kershaw in connection with the acquisition of management shares in Manvik Environmental Limited and a further equity investment.

We advised Kernel Capital in the establishment of a €26 million fund to invest in start-up and early stage companies in various sectors.

### OMAC Global Media Limited

We acted in connection with the disposal of a majority interest in OMAC Global Media Limited, to GameStop Corporation, the world's largest video game retailer, in a multimillion-euro deal.

We acted for numerous shareholders of Gift Voucher Shop (GVS), the highly successful Irish pre-paid gift card company which trades in Ireland and the United Kingdom, in connection with An Post's acquisition of a majority stake in GVS.

We acted for the shareholders of Macalla Software Limited a mobile payments technology firm backed by Niall O'Cleirigh, Bryan Maybury, Shackleton Ventures and Intercall Europe BV in connection with the disposal of the company to Roamware Inc a US company which specialises in mobile roaming technology based in California and India.
